# BRAD *Multi-family Excellence* REMINGTON HOMES

## **AFFORDABILITY INNOVATIVE DESIGN EYE-CATCHING ARCHITECTURE**

These are just some of the highlights that Brad Remington Homes is known for in its multi-family developments in South East Calgary. With the 'Brad Remington Homes' name stamped on any development, your satisfaction is as good as guaranteed.

After nearly two decades of being the go-to man in the city's multi-family construction business, Brad Remington struck out on his own to build the wildly popular Copperfield Park developments of 918 homes, the initial offering of the "Brad Remington Homes" company. Brad Remington brings the cumulative experience of building more than 3500 multi-family homes in Calgary since 1993, and the assurance of a successful enterprise.

"My team is known for completing every development in the most timely manner and to the highest level of craftsmanship...every time." Along with the Copperfield Park developments, Brad's list of accomplishments include many of Calgary's apartment buildings as well as the construction of a luxury hotel for Sunshine Village Ski Resort.

At Brad Remington Homes, we want our customers to own something BETTER than they ever imagined they could afford.

"This is the home you've been waiting for, and we promise that you are going to love it."

**Love it. Live it. Afford it.**
